## LABEL ACCEPTANCE

The undersigned hereby agree to the following labeling requirements:

- (1). By affixing my signature below, we acknowledge and accept 100% responsibility for:
  - (A). Product label content, layout, and design.
  - (B). Marketing claims made on the product label.
- (2). Product labels must be produced according to the Specification provided. If product labels sent to All American Pharmaceutical & Natural Foods Corporation (AAP) do not conform to both AAP label specification requirements and the Food and Drug Administration's Regulation 21 CFR Part 111.65 (which states that "You must implement quality control operations for producing the dietary supplement to ensure... the dietary supplement is packaged and labeled as specified in the master manufacturing record."), the labels will be refused and returned to you for revision and re-issuance. Note that costs for producing new labels are your responsibility and that additional AAP handling charges may apply.
- (3). AAP is not responsible for the use of foil labels and does not recommend their use.
